Dear Sir/Madam

Firstly, I would like to express my sincere gratitude to your esteemed company for taking the time to review my application.

I am Dai Le. I am writing to express my strong interest in the Android Developer position at OCB. With a solid background in mobile application development and a passion for creating innovative and user-friendly apps, I am excited to bring my skills and experience to your team.

During my 4 years of experience as an Android developer, I have gained valuable expertise in creating high-quality, performance-optimized, and visually appealing Android applications. I am proficient in both Java and Kotlin and framework cross-platform such as Flutter, React Native, have a deep understanding of the Android platform and its latest trends.

My career highlights include:

- Collaborating with cross-functional teams to design and implement app features that improved user experiences and enhanced app functionality.
- Applying best practices in code architecture and design to ensure clean, maintainable, and efficient code.

As a proactive team player with strong problem-solving skills and an ability to adapt to evolving technologies, I am confident in my ability to make an immediate and positive impact. I am excited about the opportunity to work with your talented team and contribute OCB's Android development to new heights.

Thank you for considering my application. I would welcome the opportunity to discuss how my skills and experiences align with OCB's goals in more detail.

Sincerely

Lê Văn Trần Đại
